

Style in the City

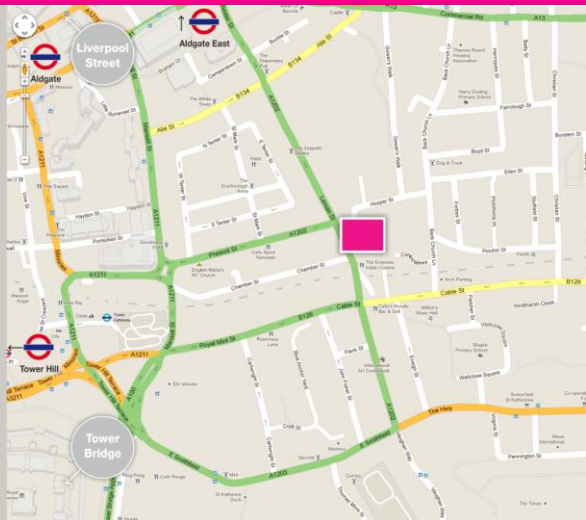

City Quarters is a three block development built around an elegant water garden offering space to relax, whilst being only a short walk to places of work and leisure.

Situated close to the City and the Tower of London, City Quarters is ideal for those working in the area but who want to be able to explore London in their spare time. Within a short walk for most of the London underground rail lines and the Docklands Light Railway (taking you to Canary Wharf), City Quarters gives you full access to all London has to offer.

Each of the executive 1 and 2 bedroom apartments is individually furnished and stylishly decorated to complement this magnificent building.
